

# TOFTigers Wildlife Tourism Awards

in association with Sanctuary Asia and Outlook Traveller

Information for Applicants, Rules and Nomination Form

The sustainable nature tourism action charity, TOFTigers, in association with India's premier wildlife magazine, Sanctuary Asia, and India's best known travel magazine, Outlook Traveller, have combined to bring together the 4th TOFTigers Wildlife Tourism Awards 2016. The theme this year is 'Rewilding – at the heart of responsible nature tourism'. The Awards aim to highlight and reward the very best in the nature tourism field; those individuals, businesses, service providers and community enterprises who are leading the way in wilderness destinations in the Indian subcontinent. Each in their own way will be pioneering new ways to support and inspire wildlife conservation, engage local communities and help restoration of wildlife habitat through their vision, drive and actions.

Please note: Applications can be made by anyone. You can nominate your own lodge, business, yourself or your enterprise or project, or others can do this for you. This year as well as maintaining our judging panel, we are inviting visitors and travel trade to vote on their nature-based experiences for five Award categories. So if you're applying, encourage your clients or past customers to vote for you at [www.toftigers.org/awardsvoting](http://www.toftigers.org/awardsvoting) where voting applies.
