PUG Eco-Rating Explained

Our PUG eco-audit scheme for lodges and resorts, run by independent auditors, establishes clear standards and best practice in accommodation footprint and sustainability. The audits cover nature conservation and education, contribution to the local economy, communities and cultural traditions, and ecological practice from how they are built to energy use, water conservation and waste disposal.

Outstanding

Exemplary industry leaders. These providers have a positive impact on the environment, local communities and their clients. They invest both time and money to maintain sustainable tourism practices.

Quality

The providers are environmentally and culturally responsible. They are continuously working to better their operations and enhance their sustainable practices and are working to become exemplary industry leaders.

Good Practice

These providers are low-impact. They make choices based on environmental and social responsibility, but have not yet attained best practice in sustainability.

Under Process

These providers have been registered to be evaluated, or are actively undergoing audit and are awaiting a final rating.
